## Rack of Silence

The optimal form follows function concept is the Rack of Silence. To ensuring a quick and easy installation, the Rack of Silence comes almost complete pre-assembled. A versatile and functional design that guarantee minimum resonance and vibration. The Apparatus Support system is made of extruded aluminum that is efficiently resonance controlled as both inside and outside are coated with acrylic glass and

insulated from the wooden strut with a cork lined underside, even the top is cork lined and offers the apparatus a scratch resistance as well as resonance-free surface to be placed upon. On top of the Apparatus Support, it's also possible to add the Turntable Top Shelf, made of a unique sandwich board, specially developed for acoustic damping, with matching veneers. supported by Solid Tech isolator, Discs of Silence.

Rack of Silence Reference Line, is achieved by adding the unique integrated isolation system. Developed from the state-of-the-art, Feet of Silence isolators concept. Enhancing extreme and revolutionary capability of both vertical and horizontal de-coupling. The Rack of Silence solutions are available in black or silver anodized aluminum, several wood trim veneers or colors and can be ordered in different sizes.

# Rack of Silence variants and options

## Rack of Silence Reference (with isolation integrated)

ROS 4 Ref. (900 mm)

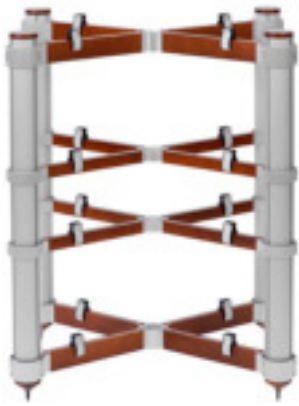

ROS 3 Ref. (600 mm)

ROS 1 Ref. (300 mm)

## Rack of Silence Regular (without isolation)

ROS 4 Reg. (900 mm)

ROS 3 Reg. (600 mm)

ROS 2 Reg. (600 mm)

ROS 1 Reg. (300 mm)

## Strut color options

Cherry hard wood "beech"

Black hard wood "beech"

White hard wood "beech"

Walnut hard wood "beech"

## Extrusion color options

Extrusion in silver and black anodized aluminum

## Optional turntable shelf

Rack of Silence turn table "large" in black, white or carbon

Rack of Silence turn table "small" in black, white or carbon

## Isolation system

Isolation system (standard in Reference racks)

## Optional floor protectors

Floor Protector

Spike Fixed Floor Protector

Feet of Concrete
